TRUE BLUE PROMOTIONS

TRUE BLUE LIVE @ THE INDI

We have now established ourselves as one of the premier Blues nights in Perth. Our regular Saturday night at Scarborough's **Indi Bar** is now FREE entry, except when we have a high profile Interstate or International act gracing the stage. You get live Blues from 8:30pm through till midnight, with at least two quality acts bringing you a selection of the best live music in Perth. Check out the Gig Guide on the website for up-to-date details of the acts coming up.

The first Saturday of each month is the **TRUE BLUE** Jam Night featuring the house band, RESONATOR, who open the night with a short bracket of their style of good old rockin' Blues. Then they make themselves available to back those acts that have made the "chalkboard" for the night. It is imperative that you call Roger (on 0413 873 174) well before the night to make sure that you guarantee yourself a spot. This night is now so popular that there is no chance of turning up on the night and expecting to play – you must book!

12th NO **TRUE BLUE** EVENT – Bridgetown is on!

19th Dr CHARLIE, RESONATOR + MARK CONSTABLE

SPECIAL EVENTS

November also sees **TRUE BLUE** putting on a three hour cruise (no – it's not on the SS Minnow!) around the wonderful Mandurah estuary on the ferry The Mandjar. Live music will be the order of the afternoon as the cruise sets off at 4:30pm to the sounds of Perth's Blues' minstrel, RICHIE PAVLEDIS. Once we are underway the sounds will be from RICHIE and also the SHADY BROTHERS, Jim and Belly (from Blue Shaddy), who will be onboard to bring you their unique style of Blues. It will be a trip to remember, for all the right reasons. The cost of the ticket (\$35 single, \$60 double) includes the cruise, music, and some light snacks - PLUS! more live music, FREE pizza and a complimentary drink at the SLUG & HARE ALE HOUSE after the cruise for ticket holders!

Talking of **The Slug & Hare Ale House**, come and see THE SHADY BROTHERS on Thursday 3rd and Thursday 17th November, from 8:30 till 11:30pm. What a great way to end a late night shopping expedition!

Sunday, December 4th, from 6-10pm, **TRUE BLUE** presents **Blues in the Basement** at the Norfolk Hotel in Fremantle. Come along and see MIKE DE VELTA, RICHIE PAVLEIS and BLUE SHADY, and tickets are only \$10 at the door, or \$8 pre-sale from Mills Records, the eTech Café, and **TRUE BLUE** gigs and the website.

Other Special Events will be put on from time to time at various venues including: **The Leopold Hotel, Bicton.**

TRUE BLUE RECORDS

THE PINNACLES CD

TRUE BLUE RECORDS' first album has been released for a few months now and has sold well at **TRUE BLUE** gigs around Perth. It is also available in many discerning record stores around the metropolitan area.

Featuring seven of the best Independent acts around West Australia, we are very proud to present a selection of tracks from their own recordings. RICHIE PAVLEDIS, STINGRAY, INDIGO DUCK, MAN ABOUT A DOG, MIKE DE VELTA, JOHN MEYER'S BLUES EXPRESS and BLUE SHADY. We also have copies of many of their CDs for sale, on their behalf, and you can get them from any **TRUE BLUE** gig, or on line at the **TRUE BLUE RECORDS** website. There is also a full write up on the CD there, with information about the bands, plus links to their websites.

RANDOM CHANCE RECORDS

We have obtained a great selection of albums from the RANDOM CHANCE stable. CDs from LITTLE ARTHUR DUNCAN, CHIEF SCHABUTTIE GILLIAME, HOWARD GLAZER & THE EL 34s, SAM LAY, and JIMMIE LEE ROBINSON are the featured artists. **TRUE BLUE RECORDS** is very proud to be the West Australian distributor of these CDs, and will bring you more as they become available.

OTHER CDs FOR SALE

All the way from Norway comes DR BENDIX, a high energy four piece Blues outfit putting their spin on this genre of music. Their first album (Life is a Rocky Road) is already available from **TRUE BLUE RECORDS** and the second album (White Lies) will be available soon. We are assessing other independent releases from around Australia and the world for release under our name, and from our website.

If you are an independent artist, have a recording, and would like to have some assistance with marketing, sales and distribution – then visit the website and check out what we have to offer. If it looks good, then write to us for further details.
